## SAFEGUARDING CHILDREN POLICY *for* TITAN GYMNASTICS

### 1. Introduction

I. TITAN GYMNASTICS (the Organisation) is a non-profit organisation run for the following purpose: Gymnastics and Free running club. Teaching gymnastics and parkour to children and adults

II. The Organisation is based at:

Titan Gymnastics  
Unit 9  
Summerstown  
London  
SW17 0BQ

III. The Organisation has adopted this safeguarding children policy and expects every adult working or helping at TITAN GYMNASTICS to support it and comply with it. Consequently, this policy shall apply to all staff, managers, trustees, directors, volunteers, students or anyone working on behalf of Organisation.

### 2. Purpose of the Policy

I. This policy is intended to protect children and young people who receive any service from us, including those who are the children of adults who may receive services from us.

II. The Organisation believes that no child or young person should experience abuse or harm and are committed to the protection of children and young people and this policy is intended to provide guidance and overarching principles to those who represent us as volunteers or staff, to guide our approach to child protection and safeguarding.

### 3. The Risks to Children

Nearly every child grows up in a safe and happy environment and it is important not to exaggerate or overestimate the dangers. Nevertheless, there are situations where children need protection including but not limited to:

- Sexual abuse;
- Grooming;
- Physical and emotional abuse and neglect;
- Domestic violence;
- Inappropriate supervision by staff or volunteers;
- Bullying, cyber bullying acts of violence and aggression within our schools and training facilities;
- Victimisation;
- Self-harm;
- Unsafe environments and activities;
- Crime; and
- Exploitation.

## **4. Universality of Protection**

The Organisation recognises that:

- the welfare of the child is paramount;
- all children regardless of race, gender, religious belief disability age, sexual orientation or identity have a right to equal protection from harm;
- some children are more vulnerable to harm as a result of their circumstances, prior experiences, communication needs or level of dependency; and
- working with children, young people, their parents and/or guardians, carers or other agencies is essential to protecting their wellbeing.

## **5. Safeguarding Children at Events/Activities**

I. There are three kinds of events/activities:

- (A). those open to adults and children of all ages;
- (B). those for children accompanied by a 'parent'; and
- (C). those for unaccompanied children which are sometimes run alongside other events/activities.

II. At events and activities for unaccompanied children, children under the age of 16 must be enrolled by a responsible adult before being left with the event leader. The enrolment must record the child's name, age and address and the names and addresses of the child's parents, plus the parent's mobile telephone numbers.

III. Both events and activities are to be defined broadly to include any occasions where the Organisation will be providing a service.

## **6. Disclosure and Barring**

I. The Organisation offers the following activities for children:

Teaching gymnastics & parkour  
External training, competitions and events

II. Some of our activities may therefore require adult participants or adult leaders to undergo DBS and/or police checks under the Safeguarding Vulnerable Groups Act 2006. The required level of checking (if any) will broadly reflect the degree and frequency of unsupervised access given to other people's children.

III. The Organisation will take very seriously any allegation of impropriety on the part of any member of the Organisation. A member of the Organisation who discovers anything amiss should get in touch immediately with one of the following:

KYLE JOHNSON-WHITE  
ROSA COBOLLO

IV. Allegations will be appropriately reviewed and the likely risk to children and, if appropriate will consider banning the member from future events or revoking his or her membership or both but only in full accordance with the rules and procedures of the Organisation.

## **8. Prevention of Bullying**

We will not tolerate the bullying of children either by adults or by other children. If any incident of child-on-child bullying should arise at an Organisation event, those involved will be separated immediately and the parents of the children involved will be asked to deal with the matter. The Team will review all incidents of child-on-child bullying and assess the likely future risk to children. If appropriate, the Team will consider banning a child from future events, but only in full accordance with the rules and procedures of the Organisation. Allegations of adults bullying children will be dealt with in accordance with this Policy

## **9. Photographing Children**

No photos will be taken or published of any child attending an event or activity unless prior written permission is sought from a person with parental responsibility. If any person has any concerns regarding any person taking photos at an event or activity, that person should contact the organisation immediately

## **10. Managing Behaviour Discipline and Acceptable Restraint**

- I. Adults supervising children at the Organisation events must never use any form of corporal punishment. If physical restraint is absolutely necessary to prevent injury to any person or to prevent serious damage to property, then the minimum necessary restraint may be used - but for that purpose only.
- II. Unacceptable behaviour at the Organisation events for unaccompanied children will generally be stopped by separating the children from each other and from the group. The miscreants will be suitably supervised and will be returned as soon as possible to the care of their parents.
- III. The Organisation may apply a further disciplinary sanction, namely the banning of the child from one or more future events over the following 18 months.
- IV. A parent who is aggrieved by this ban may appeal to the Organisation who will hear the views of all relevant persons. The decision of the Organisation is then final.

## **11. Other Policies**

This safeguarding policy should be read together with the following policies and resources of the Organisation:
